GROUP EXERCISE CLASS DESCRIPTIONS

- ZUMBA:** Calorie burning dance fitness, mixing low intensity and high intensity moves for an interval style. A total body workout combining all elements of fitness including cardio, muscle conditioning, balance and flexibility.
- ZUMBA STEP:** Combining the awesome power of Step aerobics with a fun fitness atmosphere, Zumba Step increase cardio and calorie burning, while adding moves that define and sculpt your core and legs.
- ZUMBA SENTAO:** Combining strength and resistance training with innovative dance moves, using a chair as your dance partner. A high intensity workout that focuses on defining your muscles, improving overall cardiovascular health and burning major calories in the process.
- YOGA:** Aligning body and mind using postures and breathing to improve flexibility and muscular balance.
- H.I.I.T:** High-Intensity Interval Training is a form of exercise in which you alternate between high intensity exercise intervals and short recovery periods for a more efficient workout.
- BOOT CAMP:** Cardio & Strength enhancing exercises to include, but not limited to squats, push ups, jogging, lifting weights & other alternative movements.
- CIRCUIT TRAINING:** Multilevel class which consists of stations focusing on strength, endurance and cardio exercises.
- STRENGTH and MOBILITY:** Multilevel class helps improve functional strength for everyday living focusing on flexibility and mobility.
